TESTIMONIALS

My 50th party at the MEC was such a memorable and fun occasion. The food, the service and the venue decoration were all to such a high standard. I loved every moment. Thanks MEC!

COLLETTE DALLAS
50TH BIRTHDAY PARTY

This venue was very easy to access and had good car parking facilities. The reception area for 'meet and greet' was well organised. The space for networking was well set out at the back of the hall with the seating and speakers towards the front. Would highly recommend this venue.
