

MESSAGE ENTERPRISE CENTRE

2018 EVENTS & CONFERENCES

Welcome to the Message Enterprise Centre, Manchester's most inspiring new events and meetings space.

Whether you're planning a product launch, a training seminar or an intimate meeting at the MEC, we can guarantee a real 'wow factor'.

Our team is totally committed to meeting and exceeding your expectations, with attention to detail at every level.

Our facilities are modern, elegant and flexible enough to handle business events from board meetings to conferences for hundreds.

Our in-house events team provides you with professional assistance from your initial enquiry right through to the date of your meeting or event.

Our on-site coffee shop and catering business means we can offer food and drink service at restaurant standards.

But what makes the MEC unlike any other business venue is our ethos. Behind the scenes, each of our teams is mentoring and supporting men and women who have a second chance in life after making bad decisions as young people.

All that remains for me to do is to invite you to come and see the potential for yourself. I guarantee you'll be impressed.
